Chicago, IL – November 30, 2010 – Axis Global Partners, a leading full service software provider, is pleased to announce that they have been named a “Technology Pacesetter” for 2010 by the editors of Accounting Today. This is the third year that Axis Global Partners has been included on this prestigious list of firms from across North America.

Accounting Today magazine awards the Technology Pacesetter award annually to 100 organizations that market financial midmarket applications. Seth Fineberg, Technology Editor for Accounting Today said, “Accounting Today’s Pacesetters list represents top-flight resellers in the accounting and ERP software marketplace. Members of the list are firms that carry accounting software as a central part of their product line and that have demonstrated excellence in their field. Our editors’ choices are based on factors such as industry awards received, growth, innovation, customer service, participation in building the profession and a firm’s general reputation in the marketplace.”

“In a year of many economic challenges we are very proud to be named a Technology Pacesetter,” said Manny Buigas, Principal of Axis Global Partners. “This honor is a testament to our continued focus on providing unsurpassed service and cost-effective solutions that deliver a true return on investment for our clients all year long.”
