

Axis Global Partners Expand WMS Offerings and Expertise by Adding Toronto Location

Chicago, IL – May 24, 2010 – Axis Global Partners, the leading global software and solution provider for mid-sized enterprises is pleased to announce that it has merged with IDR Inc. Toronto's leading warehouse and distribution solution provider.

“The addition of IDR Inc. to the Axis team was a strategic move to provide a wealth of expertise of warehouse management solutions,” says Manny Buigas, founding partner at Axis Global Partners. “Our clients will benefit from the 25 years of experience this team brings in working with warehouse system design and process management.”

Tony Chiodo, Principal of Axis Global Partners, stated “We are thrilled to have the talented individuals of IDR Inc. on the Axis team. This addition is another significant step forward in our strategic initiative of providing multi location clients with turnkey solutions that best meet their needs.”

Axis Global Partners has been acknowledged with numerous awards for technology and service. They are two-time recipients of both SourceMedia's Technology Pacesetter award, as well as DiversityBusiness.com's Top Business award. Additionally they have earned several accolades from Sage including the Sage Chairman's Club 2007; Sage President's Circle in 2006 and 2009, and VAR 100 in 2006. Each of these awards highlights Axis as an outstanding organization and a leader in their industry.
